

**Pesticide Notification**  
**General Notice for Parents or Guardians**  
**2021 - 2022**

Dear Parent or Guardian:

A Minnesota state law requires schools to inform parents and guardians if they apply certain pesticides on school property.

Specifically, this law requires schools that apply these pesticides to maintain an estimated schedule of pesticide applications and to make the schedule available to parents and guardians for review or copying at each school office.

State law also requires that you be told that the long-term health effects on children from the application of such pesticides or the class of chemicals to which they belong may not be fully understood.

Clearbrook-Gonvick School Contracts through Guardian Pest Solutions. Services are performed on the fourth Thursday of each month.

If you would like to be notified prior to pesticide applications made on days other than those specified in the estimated schedule (excluding emergency applications), please complete and return the form below and mail it to: Ryan Grow, Superintendent, Clearbrook-Gonvick School 16770 Clearwater Lake Road, Clearbrook, MN 56634. If you have any questions regarding this notice, please contact Ryan Grow at (218) 776-3112.

Sincerely,

Ryan Grow, Superintendent
