*Meet Miss Rhianna May. This is Rhianna's first year at C-G School. Even in that short amount of time, her classmates and new friends have come to know her and use adjectives like patient, quiet, gifted, hard-working, independent, kind, and artistic to describe her. "Rhianna is really smart and very good at Math." "She is a good friend with a kind heart." "Rhianna is nice to everyone and very caring." What a welcome addition to our sixth grade C-G Bears "team". #MNnice*
